

Dear friend of the community,

We invite you to participate in the Nazareth Community Hurricane Relief efforts. On Saturday, October 28th we will be hosting a tricky tray tent at the Truck or Treat Festival which will take place at Nazareth Borough Park from 12-4pm. All of the proceeds from the tricky tray will benefit Harvey & Irma hurricane relief efforts.

All of the money collected will be under the direction of the Nazareth Area Foundation, a 501c3 organization. Please feel free to call: 610-759-9188 or 610-759-2542 to make arrangements to drop off your donation or to arrange pick up. Thank you in advance for your support!
